Cub scouts cyber chip grade 1

This Award is meant for Scouts BSA, Tiger scouts, Wolf scouts, Bear scouts, Webelos scouts. January, 2020 To help keep youth safe online, the BSA offers the Cyber Chip which requires scouts to complete online activities. Rather than requirements being segregated by rank, this program has four grade level divisions. Note: All Cyber Chips will expire annually. Each Scout will need to go to Netsmartz and complete 2 new resources to recommit to net safety and netiquette. Then, with the unit leader, the Scout can add the new date to the Cyber Chip card or certificate. Grade 1-3 Requirements: Read, commit to, and sign the Level I Internet Safety Pledge. (BSA Cyber Chip blue card) Watch the video Bad Netiquette Stinks. Watch the video Router's Birthday Surprise. Show and tell your family, den leader, den, or pack what you have learned. Grade 4-5 Requirements: Read, commit to, and sign the Level I Internet Safety Pledge. (BSA Cyber Chip blue card) Watch the video The Password Rap and another video of your choosing. As an individual or with your den, use the Teachable Recipes to demonstrate Internet safety rules to your den leader, den, or pack. Discuss with your unit leader the acceptable standards and practices for using allowed electronic devices, such as phones and games, at your meetings and other Scouting events. Grade 6-8 Requirements: Read and sign the Level II Internet Safety Pledge on the BSA Cyber Chip green card. Write and sign a personalized contract with your parent or guardian that outlines rules for using the computer and mobile devices, including what you can download, what you can post, and consequences for inappropriate use. Watch the video Friend or Fake, along with two additional videos of your choosing from this list, to see how friends can help each other to stay safe online. Post to be Private Split Decisions Two Kinds of Stupid As an individual or with your patrol, use the EDGE method to teach Internet safety rules, behavior, and "netiquette" to your troop or another patrol. You are encouraged to use any additional material and information you have researched. Each member of the patrol must have a role and present part of the lesson. Discuss with your unit leader the acceptable standards and practices for using allowed electronic devices, such as phones and games, at your meetings and other Scouting events. Grade 9-12 Requirements: Read and sign the Level II Internet Safety Pledge on the BSA Cyber Chip green card. Write and sign a personalized contract with your parent or guardian that outlines rules for using the computer and mobile devices, including what you can download, what you can post, and consequences for inappropriate use. Discuss with your parents the benefits and potential dangers teenagers might experience when using social media. Give examples of each. Watch three of the following Real-Life Story videos to learn the impact on teens. Friend or Fake Post to be Private Split Decisions Two Kinds of Stupid As an individual or patrol, use the EDGE method and the Student Project Kit to teach Internet safety rules, behavior, and "netiquette" to your troop or another patrol. You are encouraged to use any additional material and information you have researched. Each member of the patrol must have a role and present part of the lesson. Discuss with your unit leader the acceptable standards and practices for using allowed electronic devices such as phones and games at your meetings and other Scouting events. Cyber Chip patches and wallet cards can be purchased at your local Scout Shop or at ScoutShop.org What is the Cyber Chip? The Cyber Chip is a BSA award initiated to help educate youth about today's increasingly technology prevalent world, and most importantly how to stay safe within it. The Cyber Chip is required for the Star Scout rank and the Programming Merit Badge. The Cyber chip must be recharged if after 1 year after obtention for it to count for any requirements. (if before one year, a recharge is not necessary) You can find more about the Cyber Chip on the BSA website. Concise instructions on how to earn the cyber chip, simplified from the BSA website are in the following section. Earning the cyber chip in order to earn the cyber chip, you must complete a section on the netSmartz website. Press the link corresponding to the grade you are in: Grades 1-3 Grades 4-5 Grades 6-8 Grades 9-12 When you are done, email or see a unit leader to get it signed. Recharging the cyber chip The Cyber Chip must be recharged if after 1 year after obtention for it to count for any requirements (if before one year, a recharge is not necessary). To recharge, press the link corresponding to your grade: Grades 6-8 Grades 9-12 or Other Grades. Once you have watched the video or read the article, you have recharged your chip. Get a unit leader to enter the date of recharging on the cyber chip card. You may visit this page with the short link bit.ly/cyberChip. Note: All Cyber Chips will expire annually. Each Scout will need to go to Netsmartz and complete 2 new resources to recommit to net safety and netiquette. Then, with the unit leader, the Scout can add the new date to the Cyber Chip card or certificate. Scoutless.com - Cyber chips, first released in 2017, are just one of the most recent enhancements to Scouting. Necessary to gain the Precursor and also Star ranks, your cyber chip will certainly teach you online safety and security, as defined by the BSA council. In this article, I'll be instructing you exactly how to rapidly as well as quickly earn your cyber chip award! What is Cyber Chip? The Cub Scout Cyber Chip is an important tool to aid our children stay safe online. I recognize that as parents of initially via 5th , we might assume that topics such as cyberbullying, on the internet privacy, and social media networks are a long way off for us. But, you might be stunned to learn that over 5 million Facebook users are kids under the age of 10 also though the age restriction for an account is 13. So just how do we teach our kids internet security concepts? In partnership with NetSmartz®, the Boy Scouts of America developed the Cyber Chip program. Similar to the Whittling Chip is created to instruct the children pocketknife safety, the Cyber Chip is developed to show them internet safety and security. There are BSA Cyber Chip requirements for boys in grades 1-3, qualities 4-5, grades 6-8 as well as grades 9-12. Even if your children aren't in Cub Scouts, you can still make the most of NetSmartz's outstanding programming. Each Cub Scout Cyber Chip level covers topics such as cyberbullying, mobile phone use, texting, identity, blog writing and also gaming burglary. To make the Cyber Chip, Cub Scouts authorize a Web Safety and security Promise, see an age-appropriate on the internet video clip as well as share what they have actually learned with their den or den leader. Cyber Chip Requirements As a disclaimer, I personally do not love the concept of adding a cyber chip requirement. I made my Eagle honor before cyber chips were presented and also do not like just how intrusive some of the online demands can be. Although online safety and security is essential, so is on-line freedom as well as privacy. That's why, in this article, I have actually laid out a balanced method to developing your online safety contract and also earning your cyber chip. Requirements for Grades 1-3 First, you need to know that grade 1-3 of the cyber chip is more intended to rank tiger, bear, and wolves. Requirements for Grades 4-5 What is Cyber Chip Teachable Recipes? The Teachable Recipes is a document includes four different "recipes". Requirements for Grades 6-8 Requirements for Grades 9-12 Cyber chip needs vary in between scouts who remain in sixth through 8th grade, versus scouts who are in 9th through 12th grade. I include the answers and demands to both groups, so simply try to find the areas that put on you. Your cyber chip ought to be very easy to make as well as will likely take about 1 hour to complete. Following is a more complete explanation of the purpose of the requirements for grades 6-12 Requirement 1: Cyber Chip Green Card Your scoutmaster must have a cyber chip permit for you to make use of. If you need to purchase your very own, official cyber chip eco-friendly cards can be acquired online from Scout Store and also are linked right here. Comparable to a totin' or firefighter chip, the cyber chip permit enables you to make use of the internet - given that you adhere to the chip guidelines. To be granted your cyber chip, you'll need to consent to the web safety promise which is composed below. This exact same pledge will also be published on the back of your cyber chip honor: I will think before I post. I will respect other people online. I will respect digital media ownership. I won't meet face-to-face with anyone I meet in the digital world unless I have my parent's permission. I will protect myself online. This is the level II net safety and security pledge which you'll need to accept in order to gain your cyber chip. Just get a cyber chip permit as well as consent to this promise by authorizing your name. Once completed, you'll have completed the very first requirement for gaining your cyber chip! Requirement 2: Cyber Chip Personalized Contract You can replicate and also paste this example contract and also make changes accordingly. When making use of digital media, I have actually currently modified this agreement to even more fairly represent what your rights ought to be. I would certainly recommend you edit this contract till you are pleased with its terms. As soon as you as well as your parents have actually signed the personalized contract, you'll have completed need 2 of your cyber chip! Digital Technology Contract My parents allow me to use digital technology if I agree to rules for using it. I understand that I must abide by these rules or the device will be taken away from me. The rules include the following: 1. I will answer any questions my parents might have about my technology use and disclose any information relating to social accounts, cell phone contacts, pictures, videos, text messages, email, or anything else stored in the device if there is probable cause to investigate. 2. I will not use technology devices after a time in the evening designated by my parents. For the purpose of this contract, that time will be called "bedtime." On school nights that time is _____. On non-school nights that time is _____. This will be revised from time to time, either earlier or later, depending on my age and how well I respect the rules of this agreement. 3. I will abide by my school's rules regarding the use of cell phones, internet, and other digital technology. 4. When driving, I will not make phone calls or operate my cell phone or tablet in any manner, including checking for texts, reading texts, or creating text messages. If my phone rings while I am driving, I will not answer it. I will wait and return calls and texts either when I have reached my destination or can pull over safely. 5. Any abusive use of this technology will mean I will lose this or all technology privileges for a period of time. Abuse includes sending or saving inappropriate content (nudity or partial nudity, drug or alcohol references, harassing or bullying messages, spreading rumors, sending or receiving calls or texts from strangers, etc.) 6. House rules [Modify as you desire]: When speaking with adults, focus on them: do not check text messages or search for videos. Scout Signature Date Parent/Guardian Signature(s) Date Requirement 3: Watch NetSmartz videos You'll need to watch 3 videos on web safety to complete this requirement for your Cyber Chip honor. I'd directly advise watching the video clips on cyberbullying and also gaming as they relate to the majority of precursors but likewise have a very short runtime. Requirement 4: Teach Internet Safety to Your Troop/Patrol Generally, you're just asked to evaluate whatever you have actually learned so far in a discussion to your patrol. I'd directly utilize the precursor legislation as a base as well as talk about how you might apply the same concepts to your behavior online. Make certain to cover 3 main points: It's additionally recommended that you read the Netsmartz PDF which can be downloaded listed below if you're in qualities 9-12. You'll have completed demand 4 of your cyber chip once you assess the major concepts with your patrol! Cyber Chip Student Project Kit Download Requirement 5: Discuss Electronics In Scouting With Your Scoutmaster Discuss your troop's electronics plan with a scoutmaster. Make clear the correct use phones during army functions and also recognize the benefits and disadvantages of this plan. Feel free to ask any kind of concerns you might have and review the scenario honestly. There actually isn't much to do to plan for this need. If your sights on electronics match their own, just select your scoutmaster's brain as well as see. As soon as you've completed your conversation, if you're in sixth with 8th quality, you have actually just completed gaining your cyber chip! If you remain in qualities 9-12, advance to the last demand. Requirement 6: Discuss the Benefits and Dangers of Social Media Several of the cyber chip needs are too much as well as unneeded, there in fact are some really actual threats to using social media inaccurately. Developing, saving, or dispersing inappropriate photographs of anybody under 18 years old is a severe felony. Even in a few of the institutions I have actually attended, I have actually seen teenagers who have actually faced huge legal effects as well as had their lives destroyed for breaking this regulation. Right here are 5 severe dangers to be knowledgeable about when using social media: Nonetheless, don't allow these risks to stop you from using social media sites entirely. There are certain advantages that come from using social media constructively and also successfully. Below are 5 benefits that you can obtain from making use of social media sites in the right way: [powerkit_alert type="info" dismissible="false" multiline="false"] [Note: All Cyber Chips will expire annually. Each Scout will need to "recharge" the chip by going back to the Netsmartz Recharge area. This space will hold new information, news, and a place for the Scout to recommit to net safety and netiquette. Then, with the unit leader, the Scout can add the new date to the Cyber Chip card or certificate.] [powerkit_alert]
